

Making A Difference

By sponsoring a bench or tree, you are giving back to your community and providing a living memorial to your loved one.

A bench provides a peaceful resting place and a tree's green foliage provides cool shade during the summer months. The various tree species also provide a colorful array of spring flowers and a warm display of oranges and yellows in the fall.

Tree Selections

*Shade Tree: 2.5-3" diameter \$300
Evergreen: 5-6' height \$230
Ornamental: 2-2.5" diameter \$215*

Selection may vary from park to park and season to season. Call for availability.

Benches

*Bench \$600
Benches will be a metal frame with recycled plastic slats.*

Lasting Recognition

A permanent memorial plaque will be placed with each tree or bench. The inscription may contain your name or the name you wish to honor and additional information of your choice.

Once you decide on a park location, our park staff will assist you with the tree that best suits that park. A mulched tree ring shall be placed around the base of each tree to further enhance the tree's welfare and aesthetic appearance.

Trees will be planted either in the Spring or Fall of each year as weather permits, depending upon the type of tree. The application deadline is April 1st for Spring and September 1st for Fall.

Benches require an 8-10 week lead time from the date of the initial order to installation. This may increase during winter months.

The Bartlett Park District reserves the right to move or replace any donated items. Each tree will be maintained in accordance with our tree maintenance program.

Getting Involved

A one-time donation will purchase a tree or bench with an inscribed plaque. A letter confirming your donation will be sent to the donor. Simply complete the form provided below and the plaque inscription on the reverse side.

Your Park-A-Memory contribution is tax deductible as allowed by law. Checks should be made payable to the Bartlett Park District.
